

Junior Peacemaker Workshops

CLIMATE JUSTICE

~ PEACE, SUSTAINABILITY &
RIGHTS

Free workshop for KS2 pupils

Friday 8th Feb 2019 or
Monday 11th Feb 2019

WHAT WILL THIS WORKSHOP DO?

We will be celebrating the natural resources that make up our planet and considering who is concerned about them and why.

We will look at the causes and impact of climate change and why it affects some people more than others.

Issues we will touch on include refugees & migration, food & farming, peace & security, human rights.

We will explore how climate change connects to us and how we, as teams of Junior Peacemakers, can inspire change in our schools & communities.
