**MONDAY 16TH MARCH OR
MONDAY 30TH MARCH 2020
9.30 AM - 2.30 PM**

What will this workshop do?

Together we will look at the headlines and different views around climate to understand why Climate Change is now being called a Climate Emergency.

We will take some time to step back and focus on how we are affected by the headlines and how they affect others.

We will look at ways of responding, with words and actions, to bring about positive change in our schools and communities.
